ABOUT ME

Product designer with 2 years of experience designing mobile and web experiences. I enjoy user research,
wireframing and turning complex flows into simple interfaces.

SKILLS

Figma, Adobe XD, Adobe Photoshop, Adobe Illustrator, Wireframing, Prototyping, User Research, **UI/UX,**
HTML, CSS, Responsive Design, Web Accessibility, Communication

EXPERIENCE

UI/UX Designer - Nimbus Apps | May 2023 - Present
- Redesigned onboarding flow for a fintech app, increasing sign-up completion by 22%.
- Created a design system in Figma with 120+ components used by 3 product squads.
- Ran 15 usability tests and translated findings into prioritised design improvements.

Design Intern - Creative Hive | Nov 2022 - Apr 2023
- Designed social media creatives and landing page mockups for 10 clients.

EDUCATION

Bachelor of Design (Interaction Design), NIFT Hyderabad, 2019 - 2023
